Many Employees of Western Electric in Baltimore are sold on The Payroll Savings Plan.

Mel Truiett—Section Chief
"The plan has represented a systematic way for me to put away money for my children's college education. I've been saving since 1966 and it's nice to know that the money is always there."

Joyce Kraft—X-Ray Technologist
"I've been saving for 16 years now and U.S. Savings Bonds have helped me to purchase furniture and automobiles. It has been an effortless way for me to save, because I can't get to the money easily."

Sal LoGrande—Electrician
"I started to save for my son's education when he was ten years old. He's 21 and in his last year of college now. Bonds have helped to make it happen."

They're on the way to security because they— Take stock in America.
